Dublin, June 2. 1859.

Dear Mr Lucy

Please Lay the Honored to
Mary Shackleton, Ballitore, Ireland,
for me dear. And state Miss Esther
Liberated. You may Lend it for the
rest of her term to any one please
& I wish have if you please J. E.
Jubert, Franklin, Portage Co. Ohio,
through whom the letter sent to you.
I imagine Miss Esther would not
have been much of an abstainer
but for her father — However the temperance
the associate think is doing a good
deal. We heard lately from my
bro. Richard from Sydney & I hope
he will find the letter safe on
store for him in San Francisco, whether
he ever went to land or not from. I am
doing my best about the Liberated Sub-
scriptions but I do not wish to let them
in.

Yours truly in Sincerity

Richd Webb
